Co-funded by the
Erasmus+ Programme
of the European Union

Project Eurasia

Revitalizing European Studies Across Asian Universities

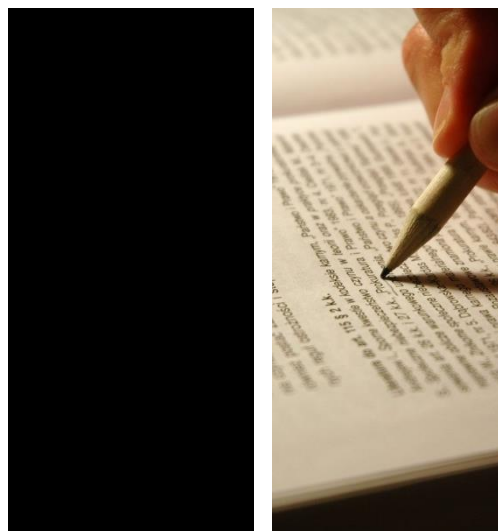

Project summary

The overall goal of the project EURASIA is to introduce high quality European Union (EU) studies and programs in universities in India and China and to promote the visibility of EU-related topics in higher education through the creation of professional academic networks.

The project aims to support the offer of graduate level courses and programs in the partner institutions through concerted and focused capacity building targeting students, faculty and staff.

Key Facts

- EURASIA is a 3-year project funded under
- Key Action Capacity Building in Higher Education, Erasmus+ Programme
- The budget is 769 239 EUR

The Consortium

- Sofia University “St. Kliment Ohridski” - Bulgaria
- Jagiellonian University - Poland
- University of Catania - Italy
- O.P. Jindal Global University - India
- Symbiosis Law School Pune - India
- Guangdong University of Foreign Studies - China
- Beijing Foreign Studies University – China
- The Languages Company - UK
- University of Versailles St-Quentin-en-Yvelines - France

Goals and Results

To improve competences and to deliver quality education in EU studies

— new pedagogical practices, learning tools and methods

To respond to the partner institutions’ needs for new education and training modules in EU studies

— Introduction of new curricula in EU-related topics and pilot accredited programs

To provide faculty with innovative opportunities for training, mobility and learning

Activities

- 2018: Preparation and training of trainers
- 2019: On-line platform, pilot courses
- 2020: Evaluation and accreditation of new programs
