

Italy and the new global challenges. Relief, aid and reconstruction in natural and man-made disaster events - PRIN 2012. UniCT Team Leader: Fulvio Attinà

This Programme is a branch of the PRIN Project Contract no. E61J12000200001 funded by the Italian Ministry for Education, University and Research (MIUR). The PRIN Project is the collective endeavour of research groups working in 7 Italian Universities (Catania, "La Sapienza" Roma, Padova, "S. Anna" Pisa, Siena, Torino, Trento). Piearangelo Isernia, University of Siena, is the Project Leader. The Research Group working at the University of Catania aims at increasing scientific knowledge about Italy's relief and aid capabilities, and actions and policies to respond to natural and man-made disasters in Europe and the world. The team leader is Fulvio Attinà. The Catania PRIN group works in synergy with the [ReSHAPE Jean Monnet Project](#).
