

GLOPEM Double Degree Master Programmes

CALL for the Academic Year 2023-2024

The **GLOPEM Double Degree (DD)** Master programme selects GLOPEM students to spend one or two semesters of **year II at one partner institution**, namely the **University of Liège (ULg)**, **Université de Paris XII Est Créteil (UPEC)** and **University of Flensburg (EUF)**.

GLOPEM DD students are enrolled at the partner institution for one (at UPEC and EUF) or two (at ULg) semesters and undertake the study plan as described on the partner's website. Students may wish to check also the GLOPEM DD website: <http://www.dsps.unict.it/it/internazionale/doppio-titolo>

DD students are expected to pass all exams of their study plan and discuss their dissertation at UNICT by the end of their second academic year in order to receive a degree title from ULg/UPEC/EUF on top to the Master Degree released by the University of Catania.

Candidates must have **accomplished the GLOPEM study plan related to Semester I** and have fully **succeeded all exams with an average grade of 26/30**. They are requested to send the following documents **by 15th March 2023**:

- the **transcript of records** of all GLOPEM exams related to semester I;
- a **letter of interest and motivation** to participate in the chosen program, containing also the **exam plan related to year I**, attesting that all exams will be passed by September 2023;
- a **CV** (non-European format) with evidence of relevant extra-curricular experiences specifying the BA final mark;
- ULg and UPEC candidates must provide adequate certification to prove that they have the required knowledge of **French language (B2 level)** or will have to pass a colloquium in French.

Applications must be sent to Prof. Stefania Panebianco stefania.panebianco@unict.it, who is in charge of the DD portfolio, and copied to the **Chair of the GLOPEM Master, Prof. Daniela Irrera** daniela.irrera@unict.it.

The GLOPEM Academic Board assesses the applications and makes the rankings. Selected candidates will be nominated to the hosting Institution no later than 15th June 2023. Students are responsible for fulfilling all administrative requirements set by the hosting institution within the set deadlines.

Funding might be made available by UNICT or other donors. ERASMUS grants may be a valid option.

NOTA BENE: As stated in the Conventions with the partner universities, selected GLOPEM students are requested to pass all exams of year I before starting the degree programme in the partner university.

GLOPEM Double Degree Master Programme at Université de Liège: 2 semesters

Some subjects are delivered in French, others in English.
