## **COMMENTS**

- It was perfect! Very useful for my knowledge and future. I am happy to share all this information in my country.
- Thank you for such a fruitful learning!
- I hope discussion can be longer with both experts and lecturers, because through reciprocal communication people can learn more.
- More fields visits. More practical training workshops, including a visit to Catania's port. The EURTF visit was a great way to provide real practices.
- To focus also on other Mediterranean countries
- To invite scholars from Northern Africa
- To have one hour less in the daily schedule, as it was really hectic but on the other hand very useful and full of content, which was great!
